

THE NEW “AUTOMATIC ANSWER”

A UNIVERSAL MUFFIN AND CAKE BATTER DEPOSITOR

Features Include:

- Simple hand-wheel depositing height adjustment
- Large product path ports enable the machine to handle thick, viscous batters with or without particulates producing an extremely clean cut-off
- PLC with recipe memory for various bakery pans
- Available in four, five, six and eight across formats depending upon pan configuration
- Ideal for wholesale bakeries, schools or prison commissaries.

A leading bakery equipment manufacturer committed to service, Hinds-Bock has the answer to your bakery depositing needs.

Filling, Depositing and Complete Integrated Systems
