

HINDS-BOCK PEANUT BUTTER FILLER

Hinds-Bock Peanut Butter Fillers have been proven in over three decades of continuous service to provide reliable accurate filling of all Peanut Butter formulas. Automatically fill plastic or glass containers ranging from 8 ounce to 64 ounce per container

The 6P-64H is a hydraulic powered filling machine providing the power necessary to run speeds up to 150 containers per minute. Features include positive shut off spouts for clean accurate fills, insulated hopper, self contained hydraulic power pack, conveyor and automatic cycling controls.

This heavy duty industrial filling machine can be changed over from one size container to another in minutes without any change parts.
